

Newark Institute for Regenerative Medicine

# Clinical Value Workshop™ Series

Friday April 27, 2007

9:00 am - 12 noon

## *Orthopaedic Applications of Stem Cell-Based Tissue Engineering*

A market-driven partnering event featuring participants from

**Purpose:** To discuss clinical problems and prospective stem cell solutions with the goal of identifying opportunities for collaboration with the Newark Institute for Regenerative Medicine

### AGENDA

- Introductions
- 3-minute overviews
  - Clinical perspective: UMDNJ
  - Research perspective: NJIT, Rutgers
  - Corporate perspective: JNJ/Ethicon, Osteotech, Celgene, EBI, Stryker
- Discussion
  - Unmet clinical needs in orthopedics
  - Technical and commercial challenges
  - Potential role of stem cell-based tissue engineering
- Facilitated project planning & partnering

**When:** 9:00 am - noon, Friday April 27, 2007

**Directions to the CHEN Building  
111 Lock Street  
Newark NJ 07103**

**From N.J. Turnpike & Rt. 280 West**

Turnpike Exit 15W to Route 280 West.

Route 280 West to King Blvd. Exit

At the end of the ramp make a left onto State St.

Go a short way to the end and make another left onto King Blvd. (stay in right lane after going under Rt. 280)

At the 4th Traffic Light turn right onto Central Avenue (immediately after St. Michael's Medical Center).

At the next traffic light, make a left turn onto Lock St.

CHEN Building is on the right side, directly across from the NJIT athletic field on the corner of Lock & Warren Streets.

Turn right at the light (Warren St.) then make the first right onto Nuttman St. (behind the building) - Parking lot is on left side. Instruct the guard on duty that you are visiting the CHEN Building.

The CHEN Building is on the corner across the street, entrance around corner on Lock St. Please use the intercom for entry by pressing the lower right arrow to reach "Medical Dev" and then dialing the 4-digit extension on the keypad.

**From Garden State Parkway & Rt. 280 East**

Take Parkway Exit 145 (The Oranges -Harrison) to Route 280 East.

Route 280 East to First St. Newark Exit.

Make a right at light at the end of the ramp

Go to the 2nd traffic light and turn left onto Central Avenue

Go to the 2nd traffic light and turn right onto Lock St.

CHEN Building is on the right side, directly across from the NJIT athletic field on the corner of Lock & Warren St.

Turn right at the light (Warren St.) then make the first right onto Nuttman Street (behind the building) - Parking lot is on left side. Instruct the guard on duty that you are visiting us in The CHEN Building. The CHEN Building is on the corner across the street, entrance around corner on Lock St. Please use the intercom for entry by pressing the lower right arrow to reach "Medical Dev" and then dialing the 4-digit extension on the keypad.

**NJ Transit**

Train to Penn Station, Newark (Call 1-800-772-2222 for schedule info)

Newark City Subway platform is down the stairs to the left of the Newark Penn Station McDonald's. Take subway to Warren Street. The CHEN Building is across the street on the corner.

**Problems getting into building?**
