

Central New Jersey Stem Cell Public Informationsm Forum

**6:30 - 9:00 pm Thursday November 1, 2007
East Brunswick NJ**

On July 27, 2007 Governor Corzine signed into law the New Jersey Stem Cell Research Bond Act. Based on this Act, New Jersey voters will be asked in the Nov. 6th General Election whether to authorize the spending of \$450 million over 10 years on grants to fund stem cell research. To help voters decide on this ballot issue, these Stem Cell Forums will provide participants with factual information on stem cell science and legislation and an opportunity to raise questions. Participants are invited to submit questions and discussion points in advance using the registration link below.

Come find out what the Stem Cell Research Bond Act means to you and your family!

VENUE: HILTON HOTEL, EAST BRUNSWICK NJ

3 Tower Center Boulevard, East Brunswick NJ 08816

Directions: From NJ Turnpike take Exit 9 through the toll plaza, bear right towards Route 18 North and take the first right into the complex. Go straight to the traffic light and make a left onto Tower Center Boulevard - the Hilton is at the end of the drive.

PROGRAM
