

NEUROSCIENCE PROPOSAL GENERATION WORKSHOP

NOVEL APPLICATIONS AND INNOVATIVE TECHNOLOGIES IN NEUROSCIENCE

Rutgers-Newark
Smith Hall, Room 371A
101 Warren Street
Newark, New Jersey, 07102
October 3, 2006, 8:30 a.m. to 12:00 p.m.

Rutgers, The State University at Newark, in cooperation with the New Jersey Commission on Spinal Cord Research is pleased to announce the third *New Jersey Neuroscience Proposal Generation Workshop*, to be held on October 3, 2006.

The October 3rd event will focus on a variety of novel concepts related to the diagnosis and treatment of neurological pathologies. Participants are invited to introduce concepts that will stimulate discussion that may lead to new collaborative efforts initiatives.

Professor Barry R. Komisaruk and a distinguished panel of senior clinicians and researchers will initiate a dialogue addressing advanced technologies in neuroscience, followed by idea presentations and discussions among the participants.

Participants wishing to present a concept are encouraged to record their request via the online registration process. Participants will have 3-5 minutes to describe concepts for research, collaboration, and project development.

Participants from New Jersey's academic, governmental and private sectors will take part, exchanging ideas and innovating plans for research and projects. Other attendees may include residents, graduate and post-doctoral students as space allows.

GOALS

Stimulate thought and generate concepts to generate viable neurosciences research proposals.

Foster the growth of neuroscience research in New Jersey.

FORMAT

Introductory Remarks

Session I: Concept previews and Q&A/Discussion

Session II: Facilitated Goal Definition

Session III: Project Outlining

Closing Remarks (action items)

The Workshop is limited to no more than 30 participants. There is limited space available for students and other interested individuals. You are cordially invited to participate, contribute and make use of this unique Workshop. Please respond by following the link to on-line registration at: <http://nj.gov/health/spinalcord/> For directions, see <http://www.newark.rutgers.edu/maps/>
